PRODUCT OVERVIEW

Transform your golf cart into a vibrant spectacle of colorful light with this easy-to-install 4-piece chasing LED kit from Metra PowerSports. Designed exclusively to fit golf cart canopies, this innovative kit includes two 36" chasing LED strips, two 8" chasing LED strips, mounting hardware, and from Heise LED Lighting, the Heise Connect Controller. The strips are durable and rated IP65, ensuring long-lasting performance and a brilliant glow for countless future rides. MPS has designed this kit to work cohesively with all Heise chasing LED lighting as part of the Heise Connect Universe (HCU). Lighting effects are controlled using the included RF remote or the Heise Connect app, available for download on smartphones and tablets. Users can choose from static color settings, 170+ color-changing patterns, DIY lighting patterns, music sync, and more.
