PRODUCT OVERVIEW

Expand your Saddle Tramp chasing LED lighting kit on any motorcycle with this convenient 4-piece expansion pack. Simply connect the included chasing LED strips to your existing chasing LED lighting kit and enjoy an expanded display with endless customization. These durable strips are IP67-rated and feature a 3M double-sided backing for easy installation. They work with your existing kit's Heise Connect Chasing Controller so that the lights can be remotely controlled using the free downloadable Heise Connect mobile app for smartphones and tablets. The app allows users to choose from 170+ color-changing patterns, a turn signal and brake function, a DIY pattern function, a music sync function, and more.

Features:
