PRODUCT OVERVIEW

This chasing spare tire light is equipped with dual-row, dual-zone, addressable LEDs to add vibrant, colorful lighting to a vehicle's mounted spare tire. This kit is an innovative, versatile solution with over 200 vehicle applications. It works cohesively with all Heise chasing LED lighting as part of the Heise Connect Universe (HCU). It is controlled using the included RF remote or the Heise Connect app, available for download on smartphones and tablets. This spare tire light will not only add style to a vehicle but will improve awareness for nearby vehicles and increase safety with its included turn signal, brake, and reverse functions.

Features:

- Chasing spare tire light
- Turn signal, brake, and reverse functions
- Dual rows of addressable LEDs
- Over 200 vehicle applications*
- 1-year warranty

Kit Includes:

- Heise Connect chasing controller (HE-CHASE-CB)
- (2) 8ft extension cables
- Left and right half-circle LED segments
- Installation hardware

*Visit our Vehicle Fit Guide for up-to-date vehicle-specific applications
