

Metra Electronics, a privately held manufacturing company headquartered in sunny Central Florida is searching for results orientated people to join our growing team. Metra is the premier manufacturer of after-market car stereo installation kits, the installers' choice. We have been the leader in the aftermarket industry since 1949.

Our foundation was built on the design and manufacturing of ABS dash kits for aftermarket radios. Over the years we have expanded into many other industries, like electronic interfaces, home theater, vehicle lighting and safety.

### **PHOTO EDITOR – Immediate Hire**

Our busy photography department is seeking a photo editor within the entry and intermediate skill levels. The right candidate would provide a broad range of photography production support on projects such as editing, organizing, and managing digital media. Bulk of the work is clipping backgrounds from product photos and cleaning up dust, scratches and color deficiencies. Photography knowledge and experience is a plus, but not required. This is not a remote position. It is for an in person position at our Daytona Beach location. No relocation assistance is available.

Editing product photos through multiple approval levels and preparing files for print and web.

Organizational skills are a must as multiple files and projects will be handled at the same time.

Time management is essential as most projects have a quick turn-around time.

Proficiency on a MAC platform required

### **SOFTWARE KNOWLEDGE**

- Experience in Adobe Photoshop is required
- Experience in the following programs is a plus:
  - Adobe Illustrator
  - Wrike task management software
  - OrbitVu software

We offer competitive wages, paid vacations/holidays, medical/dental/vision & 401K with a company match. Compensation for this position is TBD upon skill level and experience.
