

THE INSTALLER'S CHOICE

## Process Technicians

**Metra Electronics, a privately owned company headquartered in sunny Central Florida is expanding due to growth. We are searching for results orientated, can do Process Techs to join our Plastic Injection Molding Team.**

### *About Metra*

Metra is the premier manufacturer of after-market car stereo installation kits, the installers' choice. We have been the leader in the aftermarket industry since 1949. Our foundation was built on the design and manufacturing of ABS dash kits for aftermarket radios. Over the years we have expanded into many other industries, like electronic interfaces, home theater, vehicle lighting and safety.

We have been providing installation products to installers and distributors for over 75 years with 5 other distribution centers nationally. As we continue to flourish, we are seeking results orientated skilled technicians. We are currently looking to add an additional Tech to each shift.in our Holly Hill, FL Manufacturing Plant.
