Stop/Start Override Interface

Chrysler **Select Models**
2015-Up

Visit **AxxessInterfaces.com** for more detailed information about the product and up-to-date vehicle specific applications.

INTRODUCTION

The AXSSO-CH is designed to disengage the STOP/START feature of the vehicle, and keep that feature disengaged even after the key has been cycled. The AXSSO-CH will work with either an aftermarket radio, or a factory radio. A simple plug n' play installation is all that is required to install the device in the vehicle, and programming through a Windows 10 computer via the Axxess Updater software program.
