TINT INSTALLER'S SCRUBBER TOOL

SALES 386-257-2956

PRODUCT OVERVIEW

This scrubber is an industry favorite and a must-have installation tool for rear glass and windshield tint installation. This tool allows installers to scrub away dirt and adhesive residue in the lower areas of the windshield and rear glass, preparing it for a smooth tint application. The 15-inch handle extends the scrub pad to reach behind the rear brake light, speakers, over the instrument cluster, and other hard-to-reach areas.

Features:

- 15" L x 3" W
- Hook-and-loop style attachment on scrubber tool allows replacement of scrub pads
- Easily reaches areas where standard scrub pads can't access
- Cleans glass to prepare for tint installation
- 1-year warranty
