HE-JKMR

HE-JWSTL

## HE-JKMR / HE-JWSTL JEEP WRANGLER JK MIRROR COVER LIGHTS AND SPARE TIRE LIGHT

SALES 800-221-0932

### **HE-JKMR Side Mirror Covers** *Jeep Wrangler JK 2007-2018 (excluding JL)*

Upgrade your Jeep Wrangler side mirror covers with integrated running lights and turn signals for improved visibility and awareness.

- (9) 3-watt white and (2) 1-watt amber LED lights
- Integrated running lights and turn signals

### **HE-JWSTL Spare Tire Light** *Jeep Wrangler JK 2007-2018 (excluding JL)*

Replace the spare tire light with a higher output brake light that mounts to the factory hub behind the spare wheel and connects to the brake light circuit. The 85 LEDs behind a tinted lens provide a more uniform light output, compared with other brake lights on the market which use fewer and larger LEDs, resulting in a spotty beam pattern.

- (85) 1-watt LED lights
- Tinted lens for uniform light output
