

HE-FDBK10

30" Straight single row lightbar mount
1999-2014 FORD F-150

Installation Instructions:

1) Open the hood

2) Locate the hood stop mounts that are located to the left and right edge of the opening.

3) Remove the torx bolt behind the stop, place the bracket over the hole, and reinstall the torx bolt.

4) Repeat on the opposite side for the second bracket.

5) Mount lightbar between brackets, and wire in accordance with the lightbar's instructions.
