### PRODUCT OVERVIEW

Simplify your motorcycle, ATV, or other powersports RGB lighting installation with these Heise Connect controller crossover cables. These cables remove the need to use multiple controllers and apps by easily connecting Metra PowerSports lighting products to a Heise Connect RGB controller. Users can then control their entire lighting system via the free downloadable Heise Connect mobile app.

- Convenient 4-pack
- Connects to MPS RGB light connector
- Compatible with HE-RGB-CB Heise Connect RGB controller (sold separately)
- 1-year warranty
